Dear Jerry:

On this day especially, when the Servant of Justice Award is to be bestowed on Barbara posthumously, I am thinking of Barbara (and you) and recalling Barbara with great respect and affection. I very much regret that I could not be with you on this special occasion.

Barbara's outstanding work in the law—including her partnership at Jones Day, her service as an Assistant to the Solicitor General of the United States, and her founding of the Appellate Advocacy Program of the Legal Aid Society of Washington, D.C.—is a source of justifiable pride to all her family and friends, and not least, to those among her friends who had the privilege of working with her in the early years of her luminous career.

Barbara was an exceptional person in every way—an exemplar of public service as well as a Servant of Justice.

Sincerely,

José A. Cabranes
